

Topsy Nicholson Tait

May 31, 2017 - March 6, 2022

Topsy ("Stinky Girl", "Legolas") Nicholson Tait was born on May 31, 2017, and passed on March 6, 2022. She is survived by her pet parents, Michael Tait and Mary Nicholson; human sibling, Jemara Nicholson; pet siblings: Chumpkins, voodoo, Thumper, Harley, Olive, El Diablo, and Salem. Other family and friends are Kristopher Massengale and Zach Jessee.

Topsy's favorite toys were lids to anything and plastic condiment cups. Her favorite activity was smacking her brothers and sisters to get them to play with her. Her least favorite thing was bath time. Her favorite place to sleep was floor heater vents.

Favorite memories: Topsy loved to hide her plastic condiment cups in really small places only she could get to. She would sneak under there so her brothers and sisters couldn't play with her toys. Naturally the places she would choose were places we were unable to access, so they would have lots of dust. She would come out with the dirtiest little nose and would be COVERED in dust. She would look so stinking cute.
