

Titus Norris

June 13, 2021

Titus Norris was adopted in May 2014 and passed on June 13, 2021. He is survived by his pet parents, Alexis and Mary. He is also survived by human siblings, Madison and Bradly. Other special family and friends include Ashley, Kevin, Dave, David, Anna and Patrick.

Titus enjoyed taking walks with Mary, camping with his family, and playing with his favorite stuffed lion. His least favorite thing was thunderstorms. His favorite place to sleep was on the couch with someone.

Titus loved camping. He'd sit in chairs with Alexis, take walks, and sniff the ground for s'mores leftovers.
