

## Toby Lee Romine

January 25, 2007 - August 14, 2020

Toby Lee Romine, beloved fur baby of Jerry and Sandy Romine, crossed over the Rainbow Bridge on August 14, 2020. Born in Anderson, Indiana on January 25, 2007, he arrived at his forever home on March 3, 2007. His nicknames were “Toby Dog” and “Buddy”.

Toby loved walking at Mounds Park and playing with his favorite toy, a Frisbee. He would hook the Frisbee on his canine tooth and stand in front of you until you would get up to play! His least favorite thing was storms.

He could sleep anywhere he chose, usually in the bedroom where his pet parents slept, or sometimes, in the dining room.

As Jerry and Sandy shared, “There are so many good memories – walking with you, playing Frisbee, watching you carry mom’s shoes from the bedroom to the family room so she would come and get them and give you a pat on the head. We will cherish your memory forever and love you so much.”

Toby is survived by a fur brother, Harley, who Jerry and Sandy rescued from the Humane Society when he was three months old. Toby would not play with Harley the first three weeks he was with his new family.

Other family and friends include four grandchildren: Logan, Annabelle, Aliza

and Jaxon who loved and played with Toby; Jeramy and Jessica and Jarrod and Beth were also a big part of Toby's life. Also survived by Beau and Penny, fur baby cousins.
