

Toby Wilhelm

October 21, 2011 - May 16, 2022

Toby ("Tobias", "Tob-Tob") Wilhelm was born on October 21, 2011, and passed on May 16, 2022. He is survived by his pet parents, Adam and Jannel; human siblings, Ava and Stephen; and pet siblings, Allie and Waylon.

Toby's favorite toys were Baby Shark, mini squeaky basketball, and all things soft and squeaky. His favorite activities were sunbathing, snoring, snuggling, sleeping on anything comfy, eating cheese, eating Frosty Paws, and playing with his dog sister Allie. His favorite place to sleep was in bed, curled up with his mom.

Favorite memories: Toby liked to chase bunnies and jump up in the air to catch birds. He loved to chase his human sister and brother around when they were younger. Toby loved kids and was so good and gentle with little ones. Toby's most favorite thing and place was to be in his mom's lap and arms. Whenever Toby wanted food or water, he would take his front paws and dig into the bowl until someone gave him what he wanted. Toby loved to follow his mom around, and wanted to be wherever she was.

“ *Loved watching Tody and his fur brothers running up and down the fence with our Oreo on the other side, all barking, sometimes Toby would just stop and watch...his legs were shorter and I think the others wore him out.
He was a sweetie.*
