

## Trudy and Dottie Barnes

April 24, 2026

Trudy ("Trudy Bootie", "Truly Trudy") was born on February 12, 1999; and passed on April 24, 2026. Dottie ("Lottie Dottie", "Dbaby") was born on February 13, 2023; and passed on April 26, 2026. They are survived by their pet parent, Regena Barnes; pet siblings: Monte, CoCo, Zues, and Kona. Other family and friends are Bosco, Cannoli, Clover, Laney, and Luna.

The girls' favorite toys were anything with stuffing and squeakers for Dottie. Trudy loved to sit in nature and explore her surroundings. Dottie enjoyed jumping, climbing, and running. Trudy didn't like crowds. Dottie hated immobility. Their favorite place to sleep was anywhere on top or close by me.

Favorite memories: Holding and rocking Trudy to sleep. Chasing and playing with Dottie.

Soul Sistas 🐾 🐾 for as a soul neither of you aged, neither of you limited. Yet in form you have come as far as you can. Trudy you were a small big sista to your siblings they looked up to you. Your guidance your loving and sassy ways are missed but never forgotten. Dottie your fierce, sweet as pye, playful ways are furever etched in the yard and in all our hearts. I honor your forms and had it cremated but you now are formless and are apart of us all near & far. When I can't take it that I dont have you as you were i place my hand over my heart and I listen to the pulse within and I hear you both loud and clear.

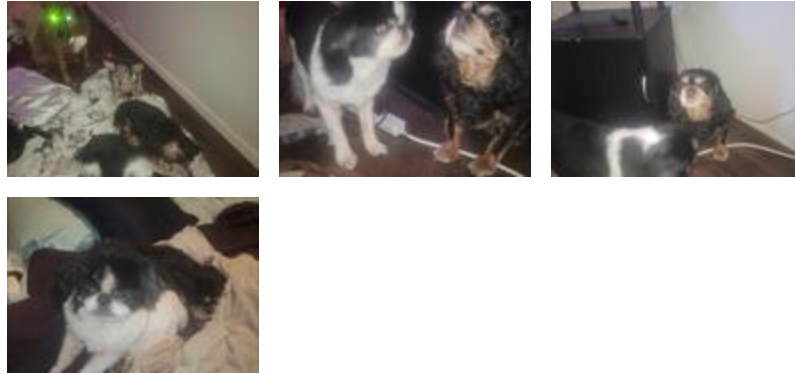

Never too far apart never separate. Nothing is ever lost only Transformed. I love you both so furry much and miss you dearly. Thank both of you Goddesses and your divine energy.

Guided by love The One & All
