

## Twinkie Bohling

November 23, 2022

Twinkie "Twinkle (little star)" Bohling was adopted in 2013, and passed on November 23, 2022. He is survived by his pet parent, Chloe Bohling; human sibling, Braxton Rodeman; and pet siblings: Bean, Gizmo, Tiger, Max, Lady, and Mickey. Other family and friends are Christal Johnson and Ginger Woods.

Twinkie's favorite activities were playing/running/being outside. Sleeping. Running back and forth through the house to play. His least favorite thing was bath time. His favorite place to sleep was in his dog bed at the end of my bed.

Favorite Memories of Twinkie : The day we picked him up from the pound. 8 years ago, he was on death row. The days he freaked out because of fireworks and just wanted to be held & safe. Or the days he would simply look up at me and tell me everything was going to be ok, even on the day he passed.
