

Tyler Pearson

January 1, 1998 - November 17, 2010

Our beloved Tyler passed away November 17, 2010.

He came into our lives in 1998 in Lawrence, Kansas. One of our favorite memories was the day we found him, or he found us, depending on how you look at it. It was a very special day. I bent down to call him over. He came running and jumped in my lap! I picked him up, started scratching him and he instantly began purring and "making biscuits". I said to him, "You're gonna live with us." He seemed good with that.

Tyler was also lovingly referred to as "Big Man" and "Handsome".

He is survived by his pet parents, Michael and Monica Pearson; and pet siblings, Brew, Elmo, Allyson, Casey, and Ladybug. Tyler easily made friends with anyone he met.

Tyler thoroughly enjoyed all of the fundamental cat activities such as getting scratched, "making biscuits", laying in the sun, purring, and of course, the occasional partaking of catnip.

He was fond of feasting on Tuna, however, he was not a big fan of taking medicine.

Tyler will always be lovingly remembered and deeply missed.
