

## Unique Clough

May 25, 2007 - September 12, 2025

Unique was very Unique for she was born the only kitten in her litter. Unique has been a special part of our family since the day she was born. She was very loyal to us all.

Unique, I also called her Momma because she brought us much comfort over the years.

Unique was born May 25th, 2007 and received her angel wings on September 12, 2025.

Unique loved to play fetch. You could throw a tie across the room and she would go get it and bring it back to you. She loved chasing lasers across the room and would pant like a dog.

The past few years she was perfectly content and happy snuggled up on the couch beside her family. Her favorite place though was beside her mom.

She brought much joy and love to our family. With a heart full of love, she shared her love with her human parents Jon and Maria. Her human siblings; Cylisha, Jackie, Stephen, Jonathan and Jonas. Also, her pet brothers Miley and Jenny.

She was one-in-a-million. Queen of the Castle and we all knew that. There will never be another quite like her, she was Unique after all. We will cherish and love you in our hearts forever. We miss you so so much Momma. We will all be together again someday.
