

Yogi Brougher

January 8, 2019

After 11 loyal, loving, committed years - Mr. Yogi Brougher turned in his canine badge as CEO of Security for The Brougher Household Jan. 8, 2019 at 1pm. Yogi is no stranger to planes, trains, and automobiles with an impressive traveling resume. From making his big debut in "Modern Dog Magazine 2011" to marriage, medical school, residency, the loss of "grandpa", the birth of 2 tiny humans and everything in-between, Yogi lived a vivacious, happy life full of adventure and love. He will be sorely missed and his memories will continue to live on. May the rainbow bridge cross over to as many Reese Cups as you can stand. Rest easy to our four-legged fur baby, "bub".
