

Yuba Guin

March 1, 2005 - February 8, 2016

Yuba was born in 2005 and given to Becky and Larry Guin because we loved boxers. Yuba had some unique nicknames like Peanut-Belly, Rub Girly, Chair Thief and Princess Girl.

Yubas had quite the family Bogart dog, Thunder dog Dec'd, Jake dog Dec'd, Gabby dog Dec'd, and Cousins Roxanne Dog, Bobbie dog and Sadie dog.

Yuba is survived by her human family of Travis, Christina, Ashley, Meysen and Bobbie dog, Jory, Stacey, Shelby, Levi Guin and Beans dog, Augusta and Steve Roosa, Whitney dog.

There were some favorite toys and activities that Yuba liked they are the kong, tennis ball, rubber dog brush, finding a crossed leg and standing over the foot for a belly rub, guarding her yard from squirrels and rabbits and alerting us to the mailman.

Yuba would sleep on the couch or a warm chair and disliked taking pills and going to the Vet. She really liked to eat canned dog food, tuna and grass.

Our favorite memories of Yuba were catching two squirrels in her lifetime finding baby bunnies in her yard and bringing them in the house and setting them on the couch. She had a hole in her soft pallet and the Vet once removed a 2.5 inch blade of grass from her sinuses
