

Zoie Hoppes

April 15, 1996 - December 14, 2014

To my beloved Zoie:

When I adopted you in July 2011, you were already a grand old lady of 15 1/2 years! We so desperately needed each other. I lost my precious shih-tzu Sammie a few months earlier and I was totally heartbroken. You then entered my life and we both "came alive" once again.

For over 3 years you thrived in every way. Your blindness and deafness couldn't deter your quest to live in and for every moment. You absolutely lived the phrase, "don't focus on what you can't do, but on what you can!"

On Thanksgiving day you became extremely ill and was diagnosed with congestive heart failure. As your health declined very rapidly I knew our time together was nearing the end. On Dec.14, 2014 your 18 1/2 year journey on this earth ended as you gently crossed the rainbow bridge to find Sam, Silkie, and KiKi waiting for you. The night before you passed, as I held you closely, I imagined you running and playing once again. As I opened my eyes, I saw your little hind legs moving as if you were already running free!

Thank you, dear Zoie, for the wonderful but brief time we had together. You enriched my life in so many ways. I know I will see you again. Countless videos and pictures will always remind me of how much I cherish you. Your pet brothers Leo and Coco and sisters Pearl and Polly certainly miss you and are taking very good care of me. Precious Zoie, you will forever be in my heart.

With all my love, Mom Debbie

“ Sweet Zoie...

*Although we never met, I feel like I knew you through your dedicated and loving "Mom." She will forever miss you, but you will live forever in her heart. Enjoy running and playing with all of your "siblings" as you breathe in the Light and Love that surrounds you.
In Peace & Love, Jasuti*
